

Jeffrey Epstein Flight Manifest Records 1997-2006

Reset all filters

Passengers likely to be travelling to Epstein Island

Passengers listed only as Males & Females

Search by keywords & names

Search

1181

This is also available as a dynamic spreadsheet containing more information for those wanting to do more research. Contact u/LaneDash via reddit for the file. The full sheet allows you to apply filters to the flight logs and search by keywords etc. and It is compatible with Microsoft Excel. Ive put a lot of time and care into importing the data from the court documents, however i'll include the original source on the second tab for checking.
